Kinson Primary	99pts	11 th
Christchurch Junior	75pts	12 th

Organisers – please explain to swimmers that although they may have won the event in their Block, it did not necessarily mean they were the overall winner when the two sets of results / times were considered – and they may find this hard to understand!

Everyone at the events has said how high the standard of swimming was and the officials were delighted that there were very few disqualifications!

Please can I ask you to complete the certificates for your swimmers.

ESSA Team Relays:

The ESSA Team relays were also held as part of the block galas. As the fastest teams are selected from the whole of Dorset the qualifying teams will not be known until all area galas have been held – towards the end of March. The date for the Division 12 final in Southampton is 25th April – you will be informed if your team has been selected.

*The points from the ESSA Team Relays **did not** count in the final points total.*

Thank you again for your continued support of swimming in the Bournemouth & Christchurch area.
