All schools are responsible for sending their teams up to their lanes for each event: EVENT 1 – HEAT 1 swimmers to be ready at the end of the warm up.

This is a schools gala, no club clothing should be worn. Poolside clothing only allowed on the poolside at all times.

Due to the large number of entries, please only bring swimmers – SORRY!
NO RESERVES.

Note: 50p required for lockers.

Certificates for first, second and third placed teams in each event and age group must be collected from the RECORDERS TABLE at the end of the Gala. Shields to overall winners in each age-group will be presented at the end of the Gala – if time allows!

Yours sincerely,

As BAZUKA are no longer sponsoring school's events the gala has been designated an ESSA event (English Schools Swimming Association)
